PROFESSIONAL SUMMARY

Electronics Engineering graduate from Seneca College with hands-on experience in embedded systems, electronic testing, and troubleshooting. Developed an ESP32 camera monitoring system using Arduino IDE and performed hardware and software debugging. Familiar with oscilloscopes, multimeters, soldering, PCB testing, and electronic circuit diagnostics. Seeking an entry-level Electronics Technician, Test/Repair Technician, or Production Technician position.

TECHNICAL SKILLS

- Electronic Circuit Troubleshooting
- PCB Testing and Repair
- Hardware Testing and Diagnostics
- Oscilloscope Operation
- Digital Multimeter Operation
- Soldering and Rework
- Embedded Systems
- ESP32 Development
- Arduino IDE
- Sensor Integration
- Technical Documentation Interpretation
- Microsoft Office

EDUCATION

Seneca College

Electronics Engineering Diploma
Ontario, Canada

Relevant Coursework:

- Analog Electronics
- Digital Electronics
- Microcontrollers
- Industrial Controls
- Sensors and Instrumentation
- Embedded Systems
- Circuit Analysis

PROJECTS

ESP32 Camera Monitoring System

- Developed an ESP32-based camera monitoring system using Arduino IDE.
- Implemented live video streaming and bidirectional communication functions.
- Integrated motion detection and SD card storage features.
- Performed hardware and software troubleshooting to improve system reliability.
- Tested and debugged embedded system performance.

LABORATORY EXPERIENCE

- Used oscilloscopes and digital multimeters to measure and analyze electronic signals.
- Conducted PCB testing and troubleshooting to identify circuit faults.
- Performed soldering and component replacement during laboratory projects.
- Read schematics and technical documentation for circuit analysis.
- Applied diagnostic techniques to isolate and resolve hardware issues.

ADDITIONAL QUALIFICATIONS

- Strong analytical and problem-solving skills
- Detail-oriented and quality-focused

- Able to work independently and in a team environment
- Mandarin Chinese: Native
- English: Working Proficiency
